Work Experience

Jan 2024 - present 📍 Barcelona
Infonet fn
Frontend Developer

- Led frontend development efforts as the primary developer, enhancing design and implementing it seamlessly from Figma to Twig templates, employing Bootstrap and pure CSS.
- Seamlessly integrated functionality into web using JavaScript, ranging from creating dynamic navigation bars to retrieving data from both proprietary APIs and backend systems.
- Spearheaded design improvements and implementation processes to ensure a cohesive and user-friendly frontend experience, optimizing usability and visual appeal.
- Worked collaboratively with a team of over 10 individuals, utilizing GitLab for source code management and development collaboration.

Feb 2023 - Jan 2024 📍 Barcelona
Front & Conde
Frontend Developer

- Developed cutting-edge frontend solutions using Vue3 with Nuxt3, creating dynamic web applications for prominent European enterprises. Skillfully employed Tailwind CSS to design visually appealing and responsive user interfaces, ensuring an immersive and seamless user experience.
- As an independent lead, successfully managed end-to-end web projects, ensuring timely delivery and exceeding client satisfaction. Maintained direct communication with clients to manage project updates and requirements, fostering clear understanding and client contentment.
- Thrived in a full-time remote work environment, demonstrating effective collaboration as an integral part of a team. Consistently achieved our collective goals and met tight deadlines, showcasing adaptability and strong teamwork.

Aug 2021 - Mar 2022 📍 Barcelona
Vueling
Aircraft maintenance engineer

- Proficient in maintenance of aircraft with turbine engines, including inspection, diagnosis, and repair of airframe, engines, hydraulics, electrical systems, and avionics.
- Extensive experience in working with turbine engines on aircraft, ensuring their efficient functioning and optimal performance.
